

Monday, September 24, 2018

Posters should be posted on 24th before 10:30 a.m. and be removed on 26th at 1 p.m.

	Welcome
9:00 – 9:20	Gisela Michalowski, Mirjam Landgraf, Diane Black Marlene Mortler (Drug Commissioner of Germany)
9:20 - 9:30	[1] Thierry Maillard A tribute to Dr. Lemoine and the recognition of FAS
	Plenary Session 1: Prevention
	Session chairs: Ed Riley, Ken Warren
9:30 - 9:50	[2] Peggy Murray FASD prevention internationally – How far have we come?
9:50 - 10:10	[3] Sylvia Roozen Developing systematic FASD prevention programs
10:10 - 10:30	[4] James Fitzpatrick Scaling up FASD prevention with at-risk communities
10:30 - 11:00	Coffee break and poster viewing
11:00 - 11:20	[5] Nancy Poole Multilevel FASD prevention guided by virtual national research network
11:20 - 11:40	[6] Leana Olivier FASD prevention in rural and urban settings
11:40 - 12:45	Plenary Session 2: What's happening in my country?
	Session Chairs: Martha Krijgsheld, Gisela Michalowski (5 min presentation each)
	[7] Romania: Teodora Ciolompea Benefits of a new prevention and intervention program for population at risk for FASD

	[8] Spain: Garcia-Algar What's happening in Spain
	[9] Netherlands: Martha Krijgsheld What's happening in the Netherlands
	[10] United Kingdom: Bond abstract 114
	[11] Scotland: Sarah Brown What's Happening in My Country – Scotland, UK
	[12] France: Catherine Metelski FASD : What is happening in France ?
	[13] Slovenia: Matej Kosir What is happening in Slovenia?
	[14] Poland: Katarzyna Okulicz-Kozaryn Looking for the agreement on the Polish guidelines for diagnosis of Fetal alcohol spectrum disorder
	[15] Australia: Elizabeth Elliott My Country 5 Minute Update--Australia
	[16] Finland: Sari Somer Support groups for young FASD Adults
	[17] Slovak Republic: Veronika Šebeková Multidisciplinary teams platform and screening algorithm indicating the presence of FASD by preschool children in the system of early intervention in Slovak republic
12:45 - 13:45	Lunch
13:45- 15:15	Parallel Sessions A: Carers, Prevention, Biomarkers
15:15 - 15:45	Coffee
15:45 - 17:15	Parallel Sessions B: Adults, Diagnosis, Professionals
17:20 – 18:20	Prevention: Discussion & Audience engagement – toward an international collaboration Chairs: Edward P Riley, Kenneth Warren, Peggy Murray, Sylvia Roozen, James Fitzpatrick, Nancy Poole, Leana Olivier, Gerjo Kok, Leopold Curfs
17:20 – 18:20	Poster Viewing

Tuesday, September 25, 2018

8:30	Opening
	Plenary session 3: Biology of FASD / Diagnosis
	Chairs: Oscar Garcia, Diane Black
8:40 - 9:10	[18] Keynote: Michael Kobor [Epigenetics and FASD]
9:10 - 9:40	[19] Keynote: Miguel Del Campo [MRI and FASD]
9:40 - 10:00	[20] Luis Castillo A new App: VisualFASD (a Foetal Alcohol Spectrum Disorder dysmorphology assessment tool)
10:00 – 10:30	<i>Coffee break and poster viewing</i>
	Plenary session 4: Prognosis, Legal issues
	Chairs: Ilona Autti-Ramö, Teodora Ciolompea
10:30 – 10:50	[21] Rabya Mughal Sleep, Anxiety and Behaviour in children on the Fetal Alcohol and Autism Spectrum
10:50 - 11:10	[22] Niina-Maria Nissinen Life situation of young people with prenatal substance exposure. ADEF Helsinki – research project (Alcohol and/or Drug Exposure during Fetal life)
11:10 - 11:30	[23] Kathrin Bohmert Sleep Problems in children with FASD – frequent, but frequently overlooked

11:30 - 11:50	[24] Raewyn C Mutch Fetal alcohol spectrum disorder and youth justice: a prevalence study among young people sentenced to detention in Western Australia
11:50 - 12:00	<i>Questions</i>
12:00 - 13:00	<i>Lunch</i>
	Plenary Session 5: Living with FASD
	Session chairs: Leopold Curfs, tbc
13:00 – 13:10	[25] Gisela Michalowski Film of German adults with FASD
13:10 - 13:25	[26] Claudia Koster Adult with FASD from the Netherlands
13:25 - 13:40	[27] Gaby Mitrani Personal Story – Mother from Israel
13:40 – 14:00	[28] Leana Olivier What happened to them?
14:00 - 14:20	[29] Louise Gordon Social Workers' Experiences of Supporting Looked-After children Exposed to Alcohol In-Utero; an Interpretative Phenomenological Analysis
14:20 - 14:40	[30] Zameer Mohamed Carer stress in Fetal Alcohol Spectrum Disorders: Data from the UK National Specialist clinic
	Plenary Session 6: Intervention
	Session chairs: Raja Mukherjee, Peggy Murray
14:40 – 15:00	[31] Ilona Autti-Ramö ICF as framework for understanding the needs of a person with FASD
15:00 - 15:20	[32] Ira J. Chasnoff

	Educational and behavioral interventions for children and youth with FASD
15:20 - 15:50	Coffee break and poster viewing
15:50 - 17:05	Parallel Sessions C: Legal issues, Professionals, Prognosis
17:10 – 18:00	Poster Viewing
17:10 – 18:15	Business meeting General Assembly of the Member Organizations
19:00 – 23:00	Gala dinner
	<i>Including presentation of poster prizes</i>

Wednesday, September 26, 2018	
8:45	Opening
	Plenary Session 7: Stigma
	Session chairs: Mirjam Landgraf, Alison Frieling
9:00 - 9:30	[33] Hans Spohr Reflections about the difficulty of FASD to be accepted in the community and worldwide
9:30 - 10:00	[34] Ken Warren PAE Research Impact for the Treatment and Prevention
10:00 - 10:30	[35] Arjan Bos The social stigma of fetal alcohol spectrum disorders: From theory to interventions
10:30 - 11:00	<i>Coffee break</i>

	Plenary Session 8: International cooperations
	Session chairs: Gro Løhaugen, tbc
11:00 – 11:30	[36] Edward P. Riley Collaborative Initiative on FASD (CIFASD): An update on current research
11:30 – 11:50	[37] Mariann Skar Policy Developments and action at EU level
11:50 – 12:00	[38] Diane Black FASD Global
12:00 – 12:10	[39] Mirjam Landgraf One World FASD Network
12:10 – 12:20	Announcement of Election Results: Diane Black New Board for 2016 to 2018
12:20 – 12:30	Announcement of EUFASD 2018: Gro Løhaugen
12:30 – 12:40	Closing remarks: Gisela Michalowski, Diane Black, Mirjam Landgraf
12:40	End

Parallel Sessions A1 Monday early afternoon

[40] Raja Mukherjee

Workshop (90 min): Assessing the Neurocognitive function(?) in people with FASD: Subtleties of presentation and lessons from two European FASD specialist clinics for diagnosis and management.

Parallel Sessions A2 Monday early afternoon

Carers

Chairs: Katarina Wittgard, Martha Krijgsheld

- [41] Fiona McGruer
Parent, Carer and Professionals' Perspectives on FASD Services in Scotland
- [42] Anita Gibbs
Living with FASD: One Family's Experience Using Photovoice
- [43] Sandra Butcher
FASD and Gender Identity: A Complicated Parenting Journey
- [44] Elizabeth A. Russell
FASD and the 12 steps for Birth Mothers
- [45] Alan Price
Experiences of adoptive parents of children with FASD and a history of traumatic experiences in the UK

Parallel Sessions A 3 Monday early afternoon

Prevention

Chairs: Ilona Autti-Ramö, Denis Lamblin

- [46] Kathleen Tavenner Mitchell
Reducing Stigma towards Birth Mothers and their Children with FASD in Healthcare Providers
- [47] Heike Kramer
Pregnant - my child drinks as well! Alcohol - No sip. No risk!
- [48] Deborah Rutman
Evaluation of HerWay Home: Promising approaches and outcomes of an FASD prevention program for substance-using women with complex, social determinants of health issues
- [49] Bérénice Doray
The FASD Resource Center in Reunion Island : Back to 2 years of activity
- [50] Denis Lamblin
The SAFTHON, First International Solidarity Movement for the prevention of Fetal Alcohol Spectrum Disorders

Parallel Sessions A 4 Monday early afternoon

Biology and Prevention

Chairs: tbc

- [51] Sarah Brown
Genetic testing in FASD assessments – What lessons did we learn?
- [52] Marta Astals-Vizcaion

Epigallocatechin Gallate (EGCG) to Improve Cognitive Performance in Foetal Alcohol Syndrome (FAS) Children

- [53] Rose Schmidt
Discussing multiple substances by multiple providers, as a key FASD prevention strategy
- [54] Stefania Bazzo
“Fetal Alcohol Syndrome and Fetal Alcohol Spectrum Disorders (FASD): from prevention to evaluation”:
an e-learning program for health professionals in Italy
- [55] Louise Gray
Reducing alcohol use by women who are pregnant, planning or could be: using social media
campaigns to raise awareness
- [56] Giuliana Moino
Prevention of alcohol consumption during pregnancy and promotion of healthy lifestyles in Italy: an
"experiential laboratory" of participatory education.

Parallel Sessions A5 Monday early afternoon

- [57] Philip May
Workshop (90 min): Physical Growth and Traits of Children with Fetal Alcohol Spectrum Disorders (FASD) and
Maternal Risk Factors in the General Population of the United States: Summary Results from the Collaboration
on FASD Prevalence (CoFASP)

Parallel Sessions B 1 Monday late afternoon

Adults

Chairs: Gisela Michalowski, Jan-Peter Siedentopf

- [58] Lina Schwerg
Introducing the BSI-FASD – A Screening Instrument for Adults with FASD
- [59] Betteke Maria van Noort
Psychiatric symptoms and quality of life in adolescents and adults with fetal alcohol spectrum disorder:
results from a longitudinal observational study
- [60] Nadine Beck
Criminal behavior and substance abuse in adolescents and adults with fetal alcohol spectrum disorder
- [61] Björn Kruse
Concept of an inclusive FASD-Outpatient Clinic: Experiences and Proposals
- [62] Jessica Wagner
Attitudes towards a late FASD diagnosis

Parallel Sessions B 2 Monday late afternoon

Diagnosis

Chairs: Gro Løhaugen, Oscar Garcia

- [63] Michael Suttie
Introducing Objective 3D facial Analysis into the FASD Clinic Workflow

- [64] Zameer Mohamed
Comparisons of the BRIEF Parental Report and Neuropsychological Clinical Tests of Executive Function in Fetal Alcohol Spectrum Disorders: Data from the UK National Specialist Clinic

- [65] Jennifer Shields
Neuropsychological Profiles in Scottish Children Affected by Prenatal Alcohol Exposure

- [66] M. Zimmet
Paediatrician reported FASD in Australia: over-representation of children in out-of-home care and Indigenous children

- [67] Magdalena Borkowska
Neuropsychological diagnosis of children with Fetal Alcohol Spectrum Disorders in Poland

Parallel Sessions B 3 Monday late afternoon

- [68] Dianne Wesselink
Workshop (90 min): Raising and educating children with FASD

Parallel Session B4 Monday late afternoon *outside of congress center*

Diagnosis

- [69] Björn Kruse
On-site workshop (90 min): Diagnostic approach in adults

Parallel Sessions B 5 Monday late afternoon

Professionals

Chairs: Leopold Curfs, Teodora Ciolompea

- [70] Mirjam N. Landgraf
The German guideline for diagnosis of FASD and the knowledge of German health professionals and parents about FASD

- [71] Marsha Wilson
Lessons Learned: the development of a model of an online FASD Training project
- [72] Fiona McGruer 85
Service Evaluation of the Fetal Alcohol Assessment and Support Team in NHS Ayrshire and Arran, Scotland
- [73] Heather Jones
FASD Hub Australia: a novel resource for clinicians, caregivers, researchers and policy-makers
- [74] Jocelynn L. Cook
The evolution, priorities and highlights of the latest FASD research in Canada

Parallel Sessions B 6 Monday late afternoon
Professionals

- [75] Matej Kosir
Workshop (90 min): How to inform policy- and decision-makers about evidence-based alcohol policy

Parallel Sessions C 1 Tuesday afternoon
Intervention

Chairs: Leana Olivier, Sylvia Roozen

- [76] Jeff Noble
The Keys to FASD Success:
Essential Strategies to achieve less stress and more success at school, work and home
- [77] Linda Wason-Ellam
Interactive Dynamic Assessment: A longitudinal study of a diagnostic and mediation tool for school-age learners with FASD
- [78] Osman Ipsiroglu
Is Iron Deficiency hindering Precision Medicine in Individuals with FASD?
- [79] Michelle Stewart
A Strengths-Based Research and Interventions: Workshop & Discussion of Community and Family Resources

Parallel Sessions C 2 Tuesday afternoon

Legal issues / prognosis

Chairs: Mirjam Landgraf, Ira Chasnoff

- [80] Dianne O'Connor
What Parents of Children with Fetal Alcohol Spectrum Disorders (FASD) Want the Criminal Justice System to Know
- [81] Hayley M Passmore
Improving the management of young people with Fetal Alcohol Spectrum Disorder in an Australian detention centre
- [82] Alan Price
The impact of traumatic childhood experiences on cognitive and behavioural functioning in children with prenatal alcohol exposure (PAE)
- [83] Elizabeth Carlson
Prenatal alcohol exposure and its relation to intelligence, executive functions, and antisocial and prosocial outcomes
- [84] Raja Mukherjee
Polysubstance abuse and its impact on FASD diagnosis and outcomes: Data from the UK National Specialist FASD clinic

Parallel Sessions C 3 Tuesday afternoon

Secondary disorders

Chairs: tbc, Alison Frieling

- [85] Anne M. Koponen
Mental and behavioral disorders among young people with prenatal substance exposure - ADEF Helsinki research project (Alcohol or Drugs Exposure During Fetal Life)
- [86] Michel Spodenkiewicz
Foster and biological parent's perspectives on actual difficulties of children with FASD: results from a prospective exploratory study from the first French FASD Diagnosis Center on Reunion Island
- [87] Katarzyna Dylag
Prevalence of urinary system defects among patients with fetal alcohol spectrum disorders
- [88] Kate M Fleming
Alcohol consumption in pregnancy and childhood hearing and neurodevelopmental problems in the UK: analysis from the Millennium Cohort Study
- [89] Sarah Brown, Jennifer Shields

Parallel Session C4 Tuesday afternoon

Professionals

[90] Heike Hoff-Emden

Workshop (75 min): Coaching Manual - A Guide for Caregivers of People Affected by FASD

Parallel Session C5 Tuesday afternoon

Prevention

[91] Gerjo Kok

Workshop (75 min): Prevention campaigns for Fetal Alcohol Spectrum Disorders (FASD)

Posters

P01	Baggio	Suelen	Pharmacological modulation of behavioral and neurochemical profile in an adult zebrafish FASD model
P02	Becker	Gela	FASD in Residential Care Facilities for Children and Adolescents who Cannot Live at Home: A Pilot Study to Estimate Prevalence
P03	Blanck-Lubarsch	Moritz	An analysis of malocclusion associated with fetal alcohol spectrum disorder (FASD) using the peer assessment rating index (PAR)
P04	Blanck-Lubarsch	Moritz	3D-Analysis of philtrum depth in children with fetal alcohol spectrum disorder (FASD)
P05	Broccia	Marcella	A Danish fetal alcohol spectrum disorders definition
P06	Burn	Rachel	A Multi-disciplinary Fetal Alcohol Spectrum Disorder (FASD) Awareness Training programme for Professionals and Caregivers in Ayrshire and Arran
P07	Burslem	Fiona	Communicating Brain Domains - A Positive, Visual (and Quick) Method for Multidisciplinary Team Feedback
P08	Chasnoff	Ira	Co-occurring vs. multi-occurring mental health diagnoses in children and adolescents with FASD
P09	Cook	Jocelynn	Using Screening, Diagnosis and Data to Improve Outcomes in FASD: Canada's National Database
P10	Dirks	Henrike	Substance use and psychiatric comorbidities in adult FASD patients
